May 2019

Next OnBoard has had a busy and impactful start to 2019 with several events around town. Events are a great way to get to know Next OnBoard members and others in the community to help grow your network. We encourage you to bring a friend, and men are always welcome in helping to further our mission. Our next event, "Wine & Wisdom" is coming up on May 23rd at Serendipity Labs in Buckhead. This is a round table event with guest speakers at each table, plus a wine and appetizer pairing! You don't want to miss this one. [Visit our events page](#) to learn more and register.

Tour of France Wine Tasting

We kicked off the 2019 year with a Tour of France wine tasting at Pour Kitchen + Bar in Brookhaven. This sold out event was a great opportunity for members and non-members to connect, relax and sip some French wines paired with tasty appetizers. Cheers to a successful start to the year!

Happy Hour & Headshots

Back by popular demand, we hosted our Happy Hour & Headshots event in March at Caravaca Market in Midtown. One of the many benefits of membership is a complimentary, professional headshot at this event. We had a great evening networking and sharing more about the mission of Next OnBoard.

Be sure to check out [Next OnBoard's event page](#) for more information on upcoming events!

Next OnBoard's Mentor Program & Membership Benefits

The mentorship program's third year has kicked off with five wonderful mentors and 17 mentees. This is another great benefit for Next OnBoard members to connect with OnBoard members and learn from their vast knowledge and experiences. We are excited to hear about the great success of this year's program in the coming months!

"I love being a Next OnBoard member because it's helped me to grow my Atlanta network and participate in a mission I feel strongly about – increasing representation for women on boards in Georgia. Plus, I get access to all of the great events at a discounted price."

– *Kristy Barker*, Next OnBoard Member and Marketing Chair

"Starting out as a NOB member, my main goal was to grow my network and develop strong relationships with young professionals throughout all different types of industries. Ever since then, I've met incredible women along the way who share similar ambitions and hopes as we dive deeper into our careers. Now that I work on the NOB Events team as the Events Chair-Elect, I get to play an even larger role for our organization in making sure that our goals become a reality by creating an atmosphere that brings us all together in an exciting and professional way."

– *Mallory Walker*, Next OnBoard Member and Events Chair Elect

"Next OnBoard membership has allowed me to meet and develop relationships with successful business men and women within the Atlanta area. It is great to have found a group that focuses on personal development and leadership
